Summer School 2019

Fee

- Registration fee is \$107 nett per child (waived for Chatsworth students)
- \$450 nett per week; \$2700 nett for 6 weeks
- Students may enrol for a period of anywhere from 1 to 6 weeks

Chatsworth Summer School is back, with more excitement!

With a plethora of stimulating activities such as arts and crafts, culinary explorations, dance and music, science experiments, photography with ipads outdoor games, water play and more, your kids will find that time spent at this half-day program is never enough.

Led by qualified Chatsworth teachers and teacher assistants, these activities are carefully designed to develop children's social and communication skills, thereby building their confidence. A daily session of library and reading ensures our learners keep their love of learning alive.

Register for Summer School now.

Weekly Timetable

Time	Monday	Tuesday	Wednesday	Thursday	Friday
9.00 - 9.45	Welcome and Specialty activities Week 1 - 3: Mandarin Activities Week 4 - 6: Music Activities				
9.45 - 10.30	Snack & outdoor play				
10.30 - 11.45	Week 1: Crafts and Drama Make puppets and then design your own dramatic play with them as a way for us all to get to know each other quickly.	Cooking From rice paper rolls to satay to fruit salad, pasta, pizza, and pancakes, cook and taste your own delicious handiwork in this sensory interactive experience.	Water Play Have fun with sand castle building, bubbles, and relay water games with new games and toys added each week.	Discovery Time Explore and immerse in all that Chatsworth Discovery Center has to offer - create and build structures, bridges, explore coding programs, make lava lamps, discover the crystallization process and more.	Library and Reading Explore different types of texts - from both fiction and non-fiction during our weekly read alouds in the library.
	Week 2: Photography and iPads Hone your photography skills and capture great images while exploring Chatsworth campus				
	Week 3: Crafts Design and decorate your own shirt and experience working as a design artist.				
	Week 4: Crafts Personalized It! Design your own recycle bag to use when you shop or to carry your things.				
	Week 5: Exploration and iPads Explore the campus while searching for different clues to the group treasure hunt.				
	Week 6: Festival Mask Making Design and craft your own mask to use in dramas and plays.				
11.45 - 12.30	Lunch & outdoor play				
12.30 - 1.00	Week 1 - 3: Reflective Writing Time Students uncover life topics to write about in their personalized journals. This memoir writing time will encourage students to develop a seed idea into an in-depth piece of writing using poetry or prose.		Week 4 - 6: Drama/Games Students will work together to learn skills for public speaking and performing. Students will also write and develop their own play while learning acting skills.
