Dear Year 11 (MYP 5) students of French / Mandarin Language Acquisition,

Re: MYP 5 Language Acquisition Interactive Oral Assessment

We are writing to inform you about the timetable and arrangements for the upcoming French / Mandarin Language Acquisition Interactive Oral assessments, which we have explained to all the students in the classes. Please find the link below to the timetable.

[MYP5 LA ePortfolio Interactive Oral Schedule 2019](#)

All students will need to be at school by **9:00am** the latest on **Monday, 18th March**, regardless of your appointment time.

You will be staying in classroom B206 until your oral assessment is finished. During this time, you should bring any notes or readings to revise for the oral. You may also choose to read a book or do other individual work. You will not, however, be allowed to use a phone or laptop for the duration of the exam, according to IB regulations.

When it is your turn to prepare for your interactive oral assessment, your name will be called and you will move to another area. After 10 minutes of preparation time with a prompt (written, visual or both), you will proceed to interact with your teacher and the conversation will be recorded. The teacher will have decided with the students as to the order of the oral assessments prior to the day of assessment.

After completing the recording process, you will be asked to leave the area where the oral assessments are taking place and you will not be allowed to communicate with any students who have not yet completed their assessment.

Some snacks and fruit will be provided for you, but you may also wish to bring additional food and water while you wait to be called.

If you have any questions, please contact me or your subject teachers.
Best wishes to you in the Interactive Oral assessment.

Kind regards,
