

EdTech Showcase

This technology showcase parent session will look at some of the tech platforms being used at Chatsworth. Find out how your child makes use of the collaborative features of Google's G Suite software, a perfect opportunity to gain some insight for those unfamiliar with this software suite.

In addition, we will also look at the progress of Seesaw in primary as well as review this first year using the SchoolsBuddy platform for online registrations.

Come along and touch base with our Education Technology Coaches, Sam Pettijohn (Orchard) and David Burke (Bukit Timah). Open to all Chatsworth families.
