Dear Chatsworth community

RE: MYP Service fundraiser

At this time of year, the Chatsworth MYP Service program would be working hard raising funds and awareness for the charities our school and the service program supports. Due to the current Circuit Breaker in Singapore, we are unable to run the programme as normal however, as a school, we recognise the importance of supporting and helping the charities we work with at this difficult time.

To help raise awareness and funds for the charities the service program currently supports I would like to invite you to attend a virtual concert on Friday the 24th of April at 4 pm. The concert will feature our talented students playing a selection of songs that they have prepared for your enjoyment and will live stream on the school's Youtube Channel that can be found [here](#)

The four charities we will be supporting and raising funds for at this time are listed below with links to their donation pages where you will also find more information about the good work they are doing right now.

All of the charities the service program supports have been financially affected in different ways, as have some of the members of our school community at this time. If you are able to do so, we would ask you to please make a small donation to one or more of the charities as part of the event.

Blue Dragon and their emergency appeal
