Dear MYP 1-5 Students and Parents

Re: MYP Service during HBL

I am writing to you at this time to bring you up to date on the school's MYP Service Program during our Home-Based Learning period. Whilst we are still waiting for official advice from the MYP we have taken the decision to suspend the program temporarily with the program restarting when we return to school.

Logistically trying to get students to take meaningful community-based action during this circuit breaker period is not possible and is not something we can ask them to do remotely at this time.

Having said this our Service Programme supports several charities including Blue Dragon, Caring for Cambodia and Singapore Food Bank and we will be exploring ways we may be able to fundraise for them during this difficult time so please keep an eye out for further details in the coming weeks.

If you have any further questions about this please do contact me via jeades@chatsworth.com.sg

Regards,

Jake Eades
