Dear Parents/Guardians,

Re: Chatsworth Parent Survey from Student Services

Student Services would like to wish you all a wonderful new school year.

Our Student Services Department at Chatsworth are hoping to offer additional supports and opportunities to parents this year. In order to better tailor to your needs as parents, we have created a short survey to determine what areas you would like further support with. Also included in the survey is an RSVP to our first parents coffee morning session where we will be discussing our new Child Protection Curriculum: Keeping Safe. Please find the [survey here](#).

We are looking forward to working with you throughout the year. If you have any questions please feel free to contact me at any time (sfisher@chatsworth.com.sg).

Warm regards,

Student Services Department
