

5th December 2019

Dear Secondary Parents, Guardians, Teachers, and Students,

Re: Secondary Production and Music performances

The Secondary Arts department is happy to announce that our annual senior production will take place in the last week of school. Students have been rehearsing since August and are excited to bring this performance to our extended community.

There will be two performances, the first will be held on Tuesday 10th December at 4pm. This show has been placed at this time to encourage parents that have come up for the **Christmas Market** to stay on and enjoy the Drama. The second performance is Wednesday 11th December at 7pm. Both shows will be held in the neighbouring Institute of Engineers theatre. There is a carpark at IES for those driving. We will run a bus after the events as well.

This year's production will be Dennis Kelly's short, jet-black comedy called **DNA**, that lays bare the way that self-interest, peer pressure and an inability to really connect and empathise with others leads to a creeping corruption, as the kids become more and more determined to get away with murder. With mature themes, we recommend that it is not suitable for primary aged students. The play is only one hour long, so after a brief intermission, the audience will then be entertained by our very talented DP1 Music students.

Please feel free to bring as many family as friends as possible to enjoy a night at the theatre and help support our performing arts students. Tickets are available through reception at Bukit Timah. Adults \$15, students \$10.

We hope to see you there.

Jo Tansey

HOD the Arts
