We are writing to inform you of the timetable and arrangement for the upcoming French B / Chinese B / Spanish Ab Initio Individual Oral assessment. Please find the link below to the timetable.

[SEC-IBDP Group2 Orals Timetable March 2020](#)

The Individual Oral Assessment of 3 different languages will take place during the regular language lesson time on the same day, which will be from 9:55 am to 12:00 pm on Tuesday, 10th March 2020.

Students are excused from the regular lesson 20 minutes ahead of their scheduled preparation time.

Individual Oral is an important assessment component, contributing 25% to the final grade of the subject. Our teachers have informed all the students of the oral date and explained the requirement and arrangement. We hope that our students will prepare for the oral conscientiously. We wish all the students good luck in their Individual Oral assessment.

If you have any questions please contact me or the subject teachers.
