Dear Parents/Guardians and Year 11 Students,

Re: IB Diploma Programme Information

Although it might seem like a long way away, the IB Diploma subject choices must be made by **6th of March 2020**. The Year 11 students have seen presentations of all the subjects Chatsworth offers in the Diploma Programme and they should be carefully considering their selections.

This year, as a consequence of the restrictions necessitated by the Covid-19 outbreak, we are unable to host an information evening for parents and students. We encourage parents and students to explore the links that have been shared with you below this letter so that you are fully informed about the subjects on offer. It would be appreciated if you could look at the links and discuss any queries you have with your son/daughter or ward (should you be a guardian to one of the Year 11 students). If you have any questions please do not hesitate to email the relevant teacher or one of us. We understand that this is an important decision and would welcome the opportunity to clarify any queries that you may have regarding the Diploma Programme and appropriate subject selection.

We look forward to supporting the Year 11 students as they look ahead to the final phase of their secondary education.

Many Thanks

Kind regards,

Mrs Harparsh Saxena

IBDP Coordinator (IB code 2114)
