

17th January 2020

To the parents/guardians of Year 10, 11 & 12 Visual Art students,

RE: VISUAL ART WORKSHOP - By Ian Murphy

This letter is to inform you of a **change of routine for Wednesday 12th February** for Year 10 Visual Art students and the addition of a full workshop day for Year 12 and Year 11 Visual Art students who have nominated an interest in DP Visual Art. This workshop will take place on **Thursday 13th February** which is a staff PD day. By using this date our students get to participate in this very exciting workshop without taking away from any of their important class time.

With the success of last years Artist in Residence day are pleased to once again offer our Chatsworth Visual Art students access to a workshop with internationally renowned British artist Ian Murphy. Please see <http://www.ianmurphyartist.com/about/> for more information on the artist.

Ian Murphy is a UK based Fine Artist of 30 years, known for his passion for journeys, and sketchbook drawing. Students will come to school as usual but will be spending the whole day in the Art room working on developing their drawing skills. 9:00am - 3:35 pm, normal lunch times. ***Students should come prepared with one or two drawings or photographs, all other materials are provided.***

Ian Murphy is well known both as an Artist and a communicator, constantly endorsing the benefits of working in the creative arena alongside the sharing of his experience. His expertise and opinion has been continually sought over the years, speaking passionately about creative practice to such institutions as the BBC, the National Society for Education in Art & Design, and the British Council. He has conducted workshops for Art students in Britain, Hong Kong, China and Singapore

Art work and skills from this workshop will benefit our MYP and DP Visual Art students in establishing their artist practice and in the creation of their Exhibition and E-Portfolio work. I look forward to the outcomes from this wonderful opportunity. Please contact me if you have any questions, at itansey@chatsworth.com.sg.

Kinds regards
