Dear BT Parents, Guardians and Students

RE: BT Campus Shuttle bus update

We would firstly like to thank everyone for a successful start to the first few weeks of January 2020. It has been great seeing everyone on campus. With our MYP5 Personal Project Exhibition this week, and CEW next week, it has been a very busy start to 2020. We also hope that our new students are settling in well, and please feel free to reach out if anyone has any questions.

We would also like to wish Gong Xi Fa Cai to those in our community celebrating the upcoming lunar new year!

Campus Shuttle Bus

Following our shuttle bus letter sent out on [7 January 2020](#), we would also like to highlight current shuttle bus operations again. Kindly ensure that ezlink cards have been topped up with sufficient amounts before boarding the shuttle, we have noticed cards with insufficient funds, and this is causing delays. Please also note that our shuttle buses use ezlink as the payment system, other systems are not compatible. Compatible cards will have this logo:

Everyone must tap the ezlink card reader on the shuttle bus (staff, parents, students, helpers etc) as long as they are taking the bus.

Please note that it is not the same as Flash pay, credit cards, cash cards and any other Nets cards. The same charges of \$2.20 will still apply for the shuttle provided for after school and evening events.

6th Avenue Shuttle Bus Staff

Tong Tar, our bus operator, has staff stationed at 6th Avenue MRT in the morning from about 7:30-8:30am and after school from about 3:15-5:00pm to assist with our younger students to board the bus safely. They can be identified with a Chatsworth vest (coming soon) and/or Chatsworth sign.

We will continue to monitor the shuttle service and will update accordingly. Thank you.

Kind regards,

Mr Mark McCallum
Campus Principal (BT)
