Dear Parents, Guardians and Year 13 Students,

### Re: DP2 Mock Examinations

Students in Year 13 are scheduled to sit internal mock examinations for their subjects from Thursday 6th February - Wednesday 21st February 2020.

This letter contains relevant information for the exam period; please find below the [Notice to candidates](#) and the *2020 Mock Examinations Timetable*. Please familiarize yourself with both documents. These documents will be reviewed in your child/ward's classes.

Please note that there are **no regular classes for students in Year 13 during this examination period** and no supervision will be provided. Students will be marked present before each exam begins and then be able to sign out of the school, at the Secondary Office, in the usual way. In essence, they are on study leave during the exam period. Should they wish to meet teachers, they are welcome to arrange a mutually convenient time. The Library and IB Diploma Study Room are places where students may choose to study when students are not in an exam. This is the same arrangement that students will follow during their external exams three months later.

Also, note that our school shuttle bus schedule will operate as normal. Students are responsible for their own transportation to/from school if they arrive at different times. We strongly recommend that students sitting exams arrive early to avoid the shuttle bus lines.

**School uniform is to be worn at all times while students are in school.**

#### Some important points to remember:

- The purpose of Chatsworth mock examinations is to prepare students for external examinations. Students will have the experience of preparing for exams, sitting exam and that process as well as receiving feedback on how they can improve for the final examination period.
- Teachers will advise students as to the format, length and content of the examination (ie. type of questions and course areas students will be tested on). These will be as close as possible to the final examinations.

- Students should use the exam timetable below to create a study timetable. Please help your child/ward to structure their time appropriately.
- Ensuring adequate sleep, a study area, and nutritious food will help your child/ward to be at their best for the exams.
- Students must be on time for their examinations and are recommended to be at the examination room well in advance of the published starting time.

Finally, this examination sitting should not be an overly stressful process. We look forward to supporting students at this time in a constructive and positive manner. If you have any questions please do not hesitate to contact myself or the IB Diploma Coordinator, Mrs Harparsh Saxena (hsaxena@chatsworth.com.sg).

Best wishes,

**Daniel Costich**

Assistant Head of Secondary
