

June 18, 2020

Dear Parents, Guardians and Students (Year 7 to 12),

Re: End of Semester Information

The year has gone by very quickly. Who could have predicted that we would end the year in such an unusual manner. We are very proud of our students, for doing such a great job this past quarter.

School Calendar and Major Dates

A letter will come out during the summer with information about major dates of the new semester. The global situation is still too dynamic to make definitive plans for events.

Graduation 2020

Please be sure to review our graduation ceremony for the class of 2020. They are a great class, and we wish them the very best in the future! The ceremony is available for viewing [here](#).

We are proud of our students and their university acceptances. Listed below are their current university acceptances (and more are still coming).

Harvard University - legacy acceptance
Princeton University - legacy acceptance

Poland

Medical University of Gdansk

Australia

University of Western Australia
Murdoch University
Griffith University
Curtin University
University of New South Wales

Singapore

Singapore University of Technology and Design

Lockers

This is a reminder that all books and materials and clothing must be removed from all Chatsworth lockers before 3:00pm on June 18th, 2020. We reminded students during the last week of school to clear their lockers. Items remaining in the lockers after June 18th will be discarded or given to charity.

Shuttle Bus Information

Shuttle bus information is always available on our website, [here](#). The shuttle schedule reverts to our holiday schedule on June 18th.

Calculators in MYP 4-5, DP 1-2

Parents entering Years 10-13 please be sure you have read the [calculator letter](#) that was sent out separately.

Classroom Textbooks / Library Books

All books borrowed by Year 7 to 11 must be returned to the library. If students have not returned all textbooks and library books, their report cards and leaving documents will be delayed. The library will be accepting book returns on weekdays 9-12am and 1-4pm. Unfortunately, we are unable to accept replacement books.

If a student has not returned a book, parents will receive an invoice for the amount due. The charge for a lost book is replacement cost plus \$20 for shipping and processing. **We prefer to have the textbook returned than paid for.** Payment is made by bank transfer following the instructions on the website <https://international.chatsworth.com.sg/admissions/tuition-and-fees> Please make sure that you put the student's full name and library fine in the notes and send a screen shot of the payment to Sherri CHIN schin@chatsworth.com.sg.

Once all books are returned or paid for, the secondary office will release the report card via Managebac. Unless a student is in a foreign country due to the Circuit Breaker, there will be no reimbursement for books found at a later date.

Chatsworth Facebook Page

Please follow us on our Chatsworth Facebook page, found [here](#). There is a lot going on at Chatsworth and some great videos and photos are shared on our FB page!

BYO MacBooks in Secondary

A reminder that students are required to bring their own MacBook to school during Secondary years. A MacBook, MacBook Air, or MacBook Pro provides secondary school with a consistent technology platform providing ease of compatibility and a common base for items such as movie making and

presentations. This is expected of all students. A copy of the recent MacBook letter sent to our Year 6 parents with MacBook details may be found [here](#).

Phoenix Times - Chatsworth Secondary Student Newsletter

The Phoenix Times published several editions during this school year. The primary aim of publishing The Phoenix Times is to encourage our students to develop journalistic and creative writing skills. In addition to the skills developed, each newsletter showcased students academic and sports achievements. The Phoenix Times was successful in covering all the activities happening on our campus or off campus where our community is involved. The arts program at Chatsworth is well represented and reflected in all our newsletters. Copies of The Phoenix Times can be found at the school reception, around campus during publishing days and you can find each edition linked to the school [website](#). Thank you, Mr Thinagar, for your hard work in producing the Phoenix Times for us.

Report Cards

Report cards will be available through Managebac today. Please ensure all library books and textbooks have been returned promptly to ensure on-time delivery of reports. Report cards are able to be released on full settlement of all school fees as well. Please be sure to download and save a soft copy of all reports for your future use. Thank you.

Yearbooks

Our Yearbook delivery has been delayed due to Covid19 complications. Our previous letter explaining the Yearbook may be found [here](#).

IB Diploma Students (current Year 12) Extended Essays

Our current Year 12 students are all working on their Extended Essays. We highly recommend that parents stay "in the loop" with their sons/daughters over the summer to make sure they are on track. We have advised students to finish their first drafts over the summer as deadlines and assessments begin to take priority for the students starting in August.

Previous Communication from Secondary

Any "group" emails (like this one) sent out to parents from the Secondary Office is also stored on our school website, for your easy access all year round. If at any point you think that you have missed something from our office, please check this link on the website.

[Secondary Correspondence](#)

Thank You to Parents and to the CPG

We have so many wonderful parents who continually support us, it is hard to thank everyone. At the end of the school year I would like to extend our sincere thanks to our incredible CPG Parents, who continually are there for us helping just about everywhere, THANK YOU! I also wish to thank our Class Parents, who also assist us in the background with lines of communication.

ChatsNews TV

Our students, and Mr Burke, have done an incredible job with developing ChatsNews all year. Thank you, everyone, for your incredible efforts. ChatsNews TV may be viewed [here](#).

Final End of Year Awards Ceremony

Please be sure to view our End of Year Awards Ceremony, [here](#).

Best Wishes to Chatsworth!

It has been a wonderful 9 years at Chatsworth, and I wish our students, teachers, and the greater Chatsworth community all the best in the future.

Have a great summer.

Sincerely,

Mark McCallum

Campus Principal (Bukit Timah)
Head of Secondary
