Dear Parents, Guardians and IBDP2 (Year 13) Students,

**Re: Upcoming Projects and Deadlines in Semester 2**

Firstly, I wish to congratulate all of you on an excellent semester's work. As a group, we have shown a willingness to push ourselves in a conscientious and collegial manner. You should be proud of your considerable efforts.

Secondly, with a view to Semester 2, I have included all the relevant dates you must add to your calendar. Please make yourself aware of the dates that are directly relevant to you. With this in mind, you should be able to plan your semester with more purpose and commitment and avoid any potential backlog of work. Along with this, I have included your [mock examinations schedule](#) and the [IBDP examinations 2020 May schedule](#). Please read both carefully and make a note of the days and times of your examinations. If you have any questions you must speak with me.

I am sharing a document [Simplifying the diploma requirements and failing](#) conditions on the recent changes on the requirement for IB Diploma.
