

4th November 2019

Dear Parents and Guardians of Year 7 to 9 students,

RE: Year 7 to 9 American Mathematics Competition 8 on the 12 November 2019

Students in Years 7, 8 and 9 will sit for the AMC 8 on 12 November 2019. This is a prestigious competition held yearly around the world. The purpose of the AMC 8 is to give our students the opportunity to extend themselves beyond the teaching and learning of mathematics in the classroom. The results of this competition will not be published but will only be known to the individual student and the Mathematics Department. No preparation will be required on the part of your child/ward. The only request I have is to please ensure that your child/ward bring along a 2B pencil and an eraser. The test is 45 minutes long and completely MCQ (Multiple Choice Questions) and the use of the calculator is not allowed. The test will be held on school grounds across 3 different classrooms between 9:00 to 10:30am and details will be provided to the students via The Daily Chats in the next few days.

For further information regarding the AMC 8, please visit the website [AMC 8](http://AMC8).

Please do not hesitate to contact me, Sunil Nanwani if you have clarifying questions.

Kind regards,

Sunil Nanwani
Head of Department, Mathematics
