Re: Year 11 Mock eAssessments

Dear parents, guardians and Year 11 students,

Students in Year 11 are scheduled to sit internal mock eAssessments from Monday 11th November to Friday 15th November, 2019.

This letter contains relevant information for the exam period; please read the [Conduct for Examinations notice](#) and the *Mock Examination Timetable 2019 (below)*.

Some important points to remember:

- The purpose of the mock eAssessments is to prepare students and teachers for the external eAssessments. Students will have the experience becoming familiar with answering questions using the IB's on-screen assessment platform, as well as the rules that need to be followed during these assessments. As a school we will be able to ensure we have the infrastructure and processes in place to best support the students in their May eAssessments.
- All eAssessments will be 2 hours in length and will be similar to the final assessments both in content and in the on-screen platform. Teachers will provide subject-specific guidance (for example on understanding the command terms and using on-screen tools).
- MYP eAssessments test conceptual understanding and as such cannot be "crammed" for. Ensuring adequate sleep, nutritious food and a positive mindset will help your child/ward to be at their best for the exams.

Finally this examination sitting should not be an overly stressful process. We look forward to supporting students at this time in a constructive and positive manner. If you have any questions please do not hesitate to contact me.

Best wishes,

Phavana Silva
