

16th September 2019

Dear Parents, Guardians and Students in Secondary,

Re: Curriculum Enhancement Week (CEW)

I am writing to you with regards to our CEW programme in January 2020. CEW was held annually at our school as part of the curriculum in order to enhance learning beyond the classroom. Last academic year, we took a break and decided to review CEW. We sent out surveys to our community and gathered the feedback. Thank you to those who took the time to do it.

I am glad to announce that CEW is making a comeback this academic year! The CEW activities will be held between **22nd - 24th January 2020**. All regular Secondary classroom timetables will be collapsed for that week, and no classes will be running in Secondary. As CEW is a part of our curriculum, **it is a requirement that students participate**. Please note some structural changes to CEW for all year levels.

An information night for **Years 7 to 10 only** will be held on **Wednesday 25th September 2019 at 6.00pm**. This will be an information session regarding the various camping trips available to students in **Years 7 to 10** during CEW.

For the first time, **Years 11 - 13** students will be holding their CEW right here at our Bukit Timah Campus. **We will hold an information night sometime in late October / early November for these year groups. Watch this space!**
