

6th September 2019

Dear Secondary Parents, Guardians and Students,

Re: School Photographs 2019/20

On September 17th and 18th, our school photographers are back in town to take professional shots of individual students and staff as well as group photos and sibling or family photos. Please find attached our schedule of the visit for homerooms and sports teams and ensure that you are looking your best on the day of your photographs in full school uniform or, for sports teams, in your team outfit.

We are also offering the opportunity for siblings and families to come in for a group photography session. Siblings will be able to take photographs after school on the 17th and an appointment will need to be made at [this link](#). Family photograph sessions will be held on Saturday 21st September at the Orchard campus between 10:00am and 3:00pm and appointments can be made at [this link](#).

There is no charge for sitting for these photographs. Instructions for viewing and ordering copies of the photos online will follow after the session. Please note that the photographers will visit us again in the second semester for any students who may miss next month's visit and for additional group photographs.

Sincerely,

Daniel Costich
