Dear Secondary Parents,

Re: Information resources for our Secondary Parents

It was nice to meet many families at our Welcome to Secondary Night a few weeks back. I am writing to share various resources with all of our Secondary parents. We would love to hear your feedback over the (new) format of the evening, please click [here](#) for the quick feedback form. The slides from our recent Parent session on Wellbeing from Welcome to Secondary Night may be found [here](#) for those interested.

- We keep copies of previous letters and presentations on our website for easy reference for parents. Correspondance from Secondary may be found [here](#). Secondary presentations may be found [here](#).
- Our updated **High School Profile** may be downloaded [here](#). In particular, check out the university acceptances that our graduates have had over the past year years.
- Names, email contacts, and brief biographies of our Secondary staff 2019-20 may be found [here](#).
 - Mr Eades and the Year 7 team have made [this](#) reference guide for Year 7 parents.
- Finding your children's teachers through our website is easy, and may be done [here](#).

- A copy of our Secondary Student Handbook is [here](#). This is the best source of general information about Chatsworth Secondary (uniforms, discipline, etc).
- A map of our campus may be found [here](#).
- Are you having trouble accessing Managebac? Please find the information on resetting your password [here](#).
- Our Arts Department needs your help! We need used newspaper and other materials, please see the request [here](#).
- All parents and students have been emailed the final version of their children's timetables, with subjects and teachers listed on it. This is also available through Managebac.
- **Keeping Safe: Child Protection** - We had a great turn out for our Child Protection Parent sessions last week at BT & Orchard campuses! This year we are rolling out our new Child Protection Curriculum, Keeping Safe (KS:CPC) (parent slides [here](#)). Keeping Safe is an evidence-based [Curriculum](#) from South Australia that has created a Global addition that is widely used internationally. We are the second international school in Singapore to adopt this programming. We will be communicating with parents throughout the year to inform you of upcoming lessons and ways for you to continue conversations with your child at home. If you have questions regarding Keeping Safe Child Protection curriculum you may contact [Shira Fisher](#), Head of Student Services, or [Frannie Stewart](#), BT Counselor.

Best Wishes,
