**Re: Welcome to Year 11 (Grade 10)**

Dear Parents, Guardians and Students (Year 11),

Welcome to year 2019 - 2020 at Chatsworth! My name is Ms Laura Staple and I will be your child/ward's Year Group Coordinator (Year 11 / Grade 10).

This is my second year teaching at Chatsworth as an MYP and DP Mathematics teacher. My husband and I moved to Singapore from London in the summer of 2018. Whilst in London I was Head of the Maths Department in an inner-city London School and took the decision to move so that we could experience living in a new continent. On top of being Year 11 (Grade 10) coordinator, I am also the homeroom teacher for 11-1.

I will be supported in Year 11 (Grade 10) by the homeroom teacher Ms Henriette Tuzzolino (11-2) and the Personal Project Coordinator Mr Daniel Smyth.

Emails for both staff are detailed below.

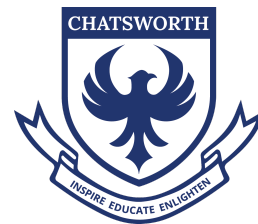

[htuzzolino@chatsworth.com.sg](mailto:htuzzolino@chatsworth.com.sg)

[dsmyth@chatsworth.com.sg](mailto:dsmyth@chatsworth.com.sg)

As part of our pastoral program students will have Pastoral lessons with the aim of fostering positive relationships, child protection and strengthening our academic and behavioural habits. Students will also have a flexi-period, where they will use this lesson time discovering, researching, planning and preparing activities that focus on service.

Another important role of the homeroom teacher is to provide a direct line of communication between the child's home and school. Please feel free to contact me via email, [lstaple@chatsworth.com.sg](mailto:lstaple@chatsworth.com.sg) if you have any questions or concerns throughout the year. I can either answer your queries or make sure your concerns are passed on to the appropriate channel.

If there is an issue in a specific school subject please email the teacher direct,

students have all staff member's emails.

If your child is absent due to illness or other reasons please contact the secondary office: Email [secondary@chatsworth.com.sg](mailto:secondary@chatsworth.com.sg) Phone: (65)6463 3201

I look forward to keeping in touch via email with you during this current school year. If you would like to meet in person please do not hesitate to email and set up a meeting time.

Warm Regards,

**Laura Staple**

MYP5 Year Level Coordinator

MYP and DP Mathematics Teacher
